

About

The Department of Civil Engineering was established during 2011 - 2012 with an aim of promoting high quality education in the field of Civil Engineering.

Vision

- To provide a wholesome knowledge and skills among civil engineering students for complete contribution to fulfill the changing industrial and research requirements, multi-disciplinary collaboration and to become the acknowledged leader with professional commitment and integrity.

Mission

- To provide a platform of inspirational features for creating leadership and innovativeness in students technical advancements.
- To impart essential skills to the student and enhance their employable strengths and entrepreneurial capabilities.
- To educate the student in solving problems related to interdisciplinary fields.
- To nurture emerging skills with societal interests to act professionally and ethically.
- To extend engineering expertise through creative projects and research driven for promoting consultancy in a sustainable environmental friendly system.
- To use updated Engineering technology and appropriate pedagogical methodologies and techniques for modeling, analyzing and designing solutions for complex challenges.

Alumni Interaction

"It has been great pleasure to be part of S.A. Engineering college. The College has played an important role in my personality development and career building. The college and department in particular has always been helpful and encouraging. I owe my success to the college and wish the college all the success in the future."

SURYA. P, B.E.,
Government of Tamilnadu
Field Surveyor

"I am fine and hope that you too will be in the best of your moods and spirits. It's been a privilege to be a part of this highly reputed institution. The time spent there will be always appreciable and memorable throughout my life. The journey of 4 years had been a cake walk only because of the full support of my teachers and the other non-teaching staff of the College. I feel cherished and proud of being an alumni of such a reputed and honorable institution."

ARUNAASRI, M.Sc.,
Northumbria University, England
