

Every individual play a vital role as responsible citizens in the selection of the eligible and qualified leaders for the society. S.A. Engineering College considers it as indispensable to instigate the students their responsibilities as citizens. The institution organizes various programmes through NSS Unit of the college. To list a few – 1. “A Fresh Voter Enrolment Programme” was organized on 10-03-2021 at 10.00 am in the college premises in which, 162 students have applied for fresh Voter ID. They had taken oath to Vote without fail by engraving their signatures in sign board. 2. Students were made to watch the National Youth Parliament Festival on 11.01.2021. This event made the students to understand the Parliamentary procedures, to develop a keen insight on the working of parliament, to consider public issues, to form their opinions and to train them for a group discussion on the public issues. 3. Every now and then, Lectures are organized on “Indian Constitution” for the students to be aware of the basic knowledge regarding (a) the territories that India will comprise, (b) citizenship, (c) fundamental rights, (d) directive principles of state policy and fundamental duties, (e) the structure and functioning of governments at union, state and local levels, and (f) several other aspects of the political system.

**NATIONAL SERVICE SCHEME**  
**NATIONAL YOUTH PARLIAMENT FESTIVAL**

**Date: 11-01-2021**

The NSS Unit of S.A. Engineering College made arrangements for the students to watch the live Inauguration of “Youth Parliament Festival” held at 10.30 a.m. at the Central Hall of Parliament, New Delhi.

Youth Parliament is a platform offered to the youngsters where they are given a mock parliament set up and exposed to the parliamentary type debate. To create a set of youngsters who have an idea of the parliament, the best way is to make them sit in the environment.

The NSS unit of S. A. Engineering was keen in making the youth members to get acquainted with the India's parliament rules and regulations and providing them the platform to discuss social, political, economic and other issues by implementing their intellectuality.
