Organizing Department Overview

The department aims to prepare every student professionally fit for placement programmes in every academic year. We provide various orientation programmes and bridge courses to familiarize our students with the course and the curriculum. Imparting Technical Education among the students is one of the primary missions of the department. The department is well equipped with quality faculties and plays active role in the co-curricular activities of the college.

Program Overview

The workshop on “Effective Communication & Motivation” is receiving an increasing attention by most of the academic institutions in India. These workshops are often conflated with methods and techniques of communication analyses, 'but with limited understanding of the logic underlying the various techniques and there exists a dearth of conceptual knowledge that would show a successful way for processing of exchanging ideas, thoughts, knowledge and information such that the purpose or intention. Our aim is to provide the participants initial steering towards the complex web of knowledge surrounding various methods of communication. This workshop attempts to minimize the collision and confusion in the minds of the people thriving to develop their communication skills.
