

INFORMATION TECHNOLOGY

QUARTERLY CHRONICLE

ABOUT DEPARTMENT

The Department of Information Technology was established in the year 1998-99. The department offers B.Tech. (IT) programme, which combines faculties with expertise in various fields and good laboratory facilities for imparting knowledge to the students. This enables students to face the challenging needs of the industries and research institutions. The department is affiliated to Anna University & B.Tech. Information Technology Programme is accredited by the National Board of Accreditation (NBA), AICTE, New Delhi.

HEAD OF THE DEPARTMENT:
Dr.AHMED MUDASSAR ALI

OUR VISION

- To transform our department into a quality hub, by providing technology updated education with ethical values.

OUR MISSION

- To develop our students, with comprehensive knowledge across the technological areas and to build their ability, to apply the technical theory, design and implementation for the given problems.
- To prepare our students, by facilitating an prominent environment for their learning and applications of Information Technology, which will enable them to work in teams and to become successful in their careers.

“
There's a way to do it
better – find it.”
–Thomas A. Edison

- To motivate Scientific Research among students, that will help them in establishing technological innovations and management for the society.

PROGRAMME EDUCATIONAL OBJECTIVES (PEOs) :

- PEO I: (Professional Learning) Our graduates will have mathematical skills, continuing self directed learning to sustain a lifelong career for their professional development.
- PEO II: (Optimistic Achiever) Our graduates will have ability to articulate their expertise, by solving problem of interest, through application of technology using, algorithms, design and implement, to meet the needs of employers.
- PEO III: (Cognitive Intelligence) Our graduates will be capable of incorporating the impact of innovation and as well uphold the knowledge of ethical and moralities on their work.
- PEO IV: (Social Identity) Our graduates will have effective communication skills, social responsibilities and will work cooperatively in interdisciplinary environments
- PEO V: To ensure graduates will be proficient in utilizing the fundamental knowledge of basic sciences, mathematics and Information Technology for the applications relevant to various streams of Engineering and Technology.
- PEO VI: To enrich graduates with the core competencies necessary for applying knowledge of computers and telecommunications equipment to store, retrieve, transmit, manipulate and analyze data in the context of business enterprise.
- PEO VII: To enable graduates to think logically, pursue lifelong learning and will have the capacity to understand technical issues related to computing systems and to design optimal solutions.
- PEO VIII: To enable graduates to develop hardware and software systems by understanding the importance of social, business and environmental needs in the human context
- PEO IX: To enable graduates to gain employment in organizations and establish themselves as professionals by applying their technical skills to solve real world problems and meet the diversified needs of industry, academia and research.

GUEST LECTURE

"Database Query Problems and Distributed Database"

Date:04.05.2022

The entire concepts of Database Administration and its work was explained in detail by Mr. Vinoth working at Mphasis. The roles and its responsibilities were briefed. Its future scope was told for their career knowledge.

S.A. ENGINEERING COLLEGE
(An Autonomous Institution Affiliated to Anna University, Chennai)
Accredited by NBA, NAAC 'A' Grade & ISO 9001:2015 certified Institution
Poonamallee - Avadi Main Road, Thiruverkadu, Chennai - 600 077

04 May 2022 @ 10:00am

Department of IT
Jointly with IIC and NDLI
Organizes

GUEST LECTURE
ON
DATABASE QUERY PROBLEMS AND
DISTRIBUTED DATABASE

RESOURCE PERSON
MR. VINOOTH RAJAGOPAL
Project Manager
Mphasis

IN ASSOCIATION WITH
